255. Allah! There is no god but **He**, The Ever-Living, the Sustainer and Protector (of all that exists).
Slumber does not overtake **Him** nor sleep.
To **Him** belongs whatever is in the heavens and whatever is on the earth.
Who is he that can intercede with **Him** except with **His** permission?
He knows that which is within their own hands and that which is behind them;
and they will never encompass anything of **His** knowledge except that which **He** wills.
His chair encompasses the heavens and the earth,
and **He** feels no fatigue in guarding and preserving both of them.
And **He** is the Most High, the Supreme.
